

## West Allis Campus - Mask Only Area

We have received a few requests to accommodate a masked-only section of seating for more at-risk congregants. The Senior Leadership Team has decided to create a limited section of seating at our West Allis campus to accommodate this request in this season. This limited seating area may grow over time if demand exceeds capacity. We will be opening this section up beginning on December 19th 2021.

Please see the details below for Location, Entry/Exit, and Offering/Communion Elements:

**Location:** House right balcony. See image:

- Every other row open
- Sectioned off with rope and stanchions

### Entry/Exit

The staircase near the student wing entry will be utilized for the masked-only area. This allows congregants to come and go in a more socially distanced manner. If you would like to use this area, enter the Greenfield Marquee entry, take a right, and you will see the staircase on the left to enter. If you have trouble locating the staircase, please ask any of our Connections Team volunteers and they will be happy to direct you.

### Offering/Communion Elements

For offering, Ushers will not pass buckets in this section. Black boxes at the rear of the Worship Center may be used for dropping off Connect Cards and/or Offerings.

On Communion Sundays, a tray of elements will be available in this section for those that choose to participate in Communion.
