

28 Days of **PRAYER**

Prayer is an essential part in the enrichment of our spiritual lives, for it is one of the foundations of our personal relationship with God. To state it simply, our prayers are our conversations and petitions with God. It is our hope that during these 28 days of prayer that you will develop a more intimate relationship through the reading of scripture and focused devotional thoughts as you spend a dedicated moment of your day in prayer. Have a little talk with Him, He's listening!

EPIKOS CHURCH

28 Days of **PRAYER**

Here are a few questions of reflection to be of help during your moments of prayer:

- How should we as believers live out this scripture?
- What is the Holy Spirit saying to me in response to this scripture?
- Is this scripture compelling me to trust the Lord, act according to His Will, or grow in my faith?
- What does God teach His Church about His character from the scripture?
